

EAA Chapter 1314 Meeting Minutes & Agenda

Date: January 20, 2007

**Members present: Warren Hurd, Tim Pierce, Don Greene
Scot Alexander visited the meeting. Scot is interested in getting back
into the air and wanted to check out the chapter.**

Treasurer's Report: No change from last month.

**Topics Discussed: We did some hangar flying and discussed our
projects. Scot asked a lot of questions about home builds and maybe
we sparked enough interest for him to pursue a kit.**

**Not much more to report. The weather was brutally cold so the
turnout was a bit light.**
