MEET THE MEMBER Tim Wall:

Tim Wall is a truck driver for New England Motor Freight. His route takes him from Concord to Nashua every day. Tim starts his work day at 10:00am, a little later than the normal 1st shift hours. This gives him the perfect opportunity to enjoy his passion for flying. During the early morning hours Tim arrives at Hawthorne-Feather airport in Deering and takes his Quicksilver Sprint from the hangar for another trip to the sky. Tim started lessons at Morningside Flight Park in the summer of 1998. Living in Merrimack at the time meant an 80 mile trip. Every Sunday for several weeks Tim would drive to Charlestown and learn to become a pilot. He purchased the Sprint and had it brought to Hawthorne where he keeps it hangared.
